- B. The attack occurred the second time the B-29 was in the vicinity of the Habomais.
- C. In both instances the B-29 flew about three nautical miles over the line which the Soviets apparently consider to delimit their territorial waters.

II.

25X1D1a

NSA

- III. During the past six months the Soviet response to US patrol and reconnaissance flights violating Soviet territory in the Far East has been consistently aggressive.

*B-29 - did not fire -*
